Chemical Description: Ionomer glass
Product Use: Powder component of dental cement

SECTION I

Pulpdent Corporation

80 Oakland Street

Watertown, MA 02472 USA

Phone Numbers

24 Hour Emergency: 1-800-535-5053

Customer Service: 1-800-343-4342 / 1-617-926-6666

Date prepared: September 1, 2008

SECTION II - HAZARDOUS INGREDIENTS

None in this formulation

DOT HAZARD CLASSIFICATION: Not regulated

WHMIS CLASSIFICATION: Not regulated

NFPA HMIS RATING: HEALTH: 1 FLAMMABILITY: 0 REACTIVITY: 0

SECTION III - PHYSICAL / CHEMICAL CHARACTERISTICS

Solubility in water: Nil Odor: none

Odor threshold: Not applicable Appearance: Fine, white powder

SECTION IV - FIRE AND EXPLOSION HAZARD

Not a fire or explosion hazard Hazardous Combustion Products: None

Extinguishing Media: Any method suitable for extinguishing supporting fire

Special Fire Fighting Procedures: none Unusual Fire and Exposure Hazards: none

SECTION V - REACTIVITY DATA

Stability: Stable Conditions to avoid: None

Incompatibility: None Hazardous Decomposition Products: None

Hazardous Polymerization: Will not occur Conditions to avoid: None

SECTION VI - HEALTH HAZARD DATA

Summary of Acute Hazards: This material, in the quantities present in this product and under normal conditions of use, presents a very slight health hazard of dust inhalation or irritation to eyes on contact.

Route of Exposure

Signs and Symptoms

Inhalation Dust may be slightly irritating to respiratory tract.

Eye contact May be irritating.

Skin absorption Not applicable

Skin contact Not applicable

Ingestion None expected under normal conditions of use.

Summary of Chronic Hazards: None known. In general, prolonged exposure to any heavy dust concentration may be harmful to the respiratory tract.

Carcinogenicity	Not known to be a carcinogen.
Teratogenicity	None known
Mutagenicity	None known
Reproductive toxicity	None known

Emergency First Aid Procedures

Inhalation	Remove to fresh air. If symptoms persist, seek medical care.
Eye contact	Rinse well under running water. If irritation persists, seek medical care.
Skin contact	Wash with soap and water.
Ingestion	For large quantities, seek medical advice.

SECTION VII - PRECAUTIONS FOR SAFE HANDLING AND USE

Handling and Storage Precautions: For small quantities (as in this product): Store tightly closed in original container; avoid moisture and contaminants.

Release or spill: Wear respirator for large quantities. For small quantities (as in this product): Wear dust mask, gloves and safety glasses. Scoop or sweep up material without dispersing dust into air. Place into covered container for disposal. Wash area of spill with damp paper towel.

Waste Disposal: Follow government regulations. Other Precautions: Wash hands after use.

SECTION VIII - CONTROL MEASURES

Respiratory Protection: Not required under normal conditions of use of this product. For large quantities, a dust mask or mechanical filter respirator is recommended.

Ventilation: Under normal conditions of use of this product, no special ventilation is required. For large quantities, local exhaust and/or general mechanical ventilation are recommended.

Protective Gloves: Recommended.

Eye Protection: Safety glasses are recommended.

Other Protective Clothing or Equipment: Emergency eye wash fountain should be close by and maintained.

Work / Hygienic Practices: Wash hands after use
